### GREETINGS FROM KWAN CHANG NIM

The past year has been a very exciting one in the International Martial Arts Association.

This past April I had the pleasure to attend the 1st IMA All Europe Championships hosted by Master Suresh Nar and held in the United Kingdom. It was a joy to my heart to see so many dedicated practitioners from various countries united in the spirit of goodwill, unity and mutual support. Then, in October, I had the pleasure of hosting the 2002 IMA World Championships in New Jersey, USA, and seeing members from across the USA and across the world visit, renew acquaintances and compete in the spirit of Tang Soo Do. The Championships were so successful that plans are already underway for the 2004 IMA World Championships to be held in the United Kingdom.

As President of the IMA, it is hard to express how tremendously proud I am of our membership. An association is only as good as its members, and I believe that the Masters, Black Belts and individual students

in the IMA are great - for the unity, teamwork and spirit they have shown this year!

I wish I had the space to thank every one of you individually, but I don't. At the top of the list are Master Kim, Master Carson, Master Dickinson, Master Nar, Master Heslop, Master Quinones, Ms. Maya, and all the other fine Masters and Black Belts.

Just as important are the individual students we're entrusted to guide, students who dedicate their time and effort to self betterment through the art of Tang Soo Do.

To all of my members, be proud to be a part of the IMA, and know that the IMA is proud of YOU. Happy holidays. Peace and happiness in the New Year. Tang Soo!

- Grandmaster Ki Yun Yi
